"COLUMBUS AND ISABELLA"
Hysterical History Comedy

Chris explains to a historian his dope, having come from a press agent, is all wrong, and tells what actually happened. Isabella had called in Chris to cheer her up after an attack of the Heebie Jeebies, when her husband, who thought Columbus was in Ohio, discovered them. Isabella hocked her gems and told Chris to buy a ship and discover America.

At sea, Chris has a hard time of it owing to the machinations of one of the crew, subsidized by Ferdinand to prevent Chris from returning. The crew mutineid and after an exciting chase, Chris was forced to walk the plank. He walked ashore, after outwitting the cop stationed at the 3-mile limit. He then shows the historian the bottle to prove his story true.
